

# Natchez Trace Parkway

## National Park Photography Program

**Date: Saturday, August 22, 2009**

**Time: 9:45 a.m.**

**Location: Natchez Trace Parkway Visitor Center**

Located at milepost 266 on the Natchez Trace Parkway (2 miles north of the intersection with Highway 78, near Tupelo, Mississippi).

Bring your camera and meet up with a park ranger at the Visitor Center for a chance to walk around and take pictures at a National Park: the Natchez Trace Parkway! This program will last one hour. No experience is necessary. All experience levels are welcome. Learn tips and tricks, try new angles and subjects, and have fun on a leisurely walk in the great outdoors! If you share some of your photos with us, of this or any other National Park, they may show up in a photography exhibit right here on the Parkway!

This is a free program. Program will start promptly for more shooting time. Some disposable cameras may be available to borrow on a limited basis.

Questions? Call us at 800-305-7417 or 662-680-4027, or visit our website at: [www.nps.gov/natr](http://www.nps.gov/natr).
